**Duties:**

- 1: Coming to your Mass early enough to greet people coming in and to be available for questions, especially as people offering the Mass often want to tell the ushers they will or will not bring up the gifts of wine and water.
- 2: Offertory procession should begin as soon as collection is completed
- 3: Remember collection should be taken from front to rear
- 4: Please pass out bulletins **after** Mass.
- 5: After Mass, go into the Sacristy and put out lights #4 through #8 in the panel and those near-by on the wall that are up and on.
- 6: Please neaten up the pews for the next Mass, i.e., straighten missalettes, song books, and pick up any extraneous material

Thank you for your help. Visitors do say they feel better being greeted, having someone available and having Communion and collections well ordered and having bulletins handed to them.

Bulletins on the radiator are from the previous week, for those who might have been away. Current week's bulletins are in the usher's closet.

**PLEASE CALL A SUBSTITUTE WHEN YOU CANNOT MAKE YOUR ASSIGNED MASS.**

**If your telephone number changes please inform rectory office.**

**For Holy Days please take the initiative to usher and to ask others for help**
